District News

From Our Correspondents

KIRKCALDY

Mr. and Mrs. A. J. Maisey were Calgary visitors the first of the week.

Mrs. Henry Todd has had as her guest her aunt, Mrs. Tunnen, of Swallow.

Mr. and Mrs. Albert Markert have sold their farm to Mr. Berger, of Champion. They will hold their sale on April 9th.

Mr. and Mrs. Doug Wilson are being congratulated on the birth of a daughter at the Vulcan hospital, March 28.

Mr. and Mrs. Mitchell, of Claresholm, have purchased the land formerly owned by Mr. Maber and Mike Sullivan, half a mile east of Kirkcaldy. They will move to Kirkcaldy in a few weeks.

Mr. and Mrs. Mitchell and Mr. and Mrs. Madden, also of Claresholm, were visitors here on Friday.

Mr. Wilson, Sr., of Carmangay, has been visiting here for a few days with his son.

A. J. Maisey was a Lethbridge visitor on Saturday.

Mrs. Goshwosky was a visitor to Lethbridge on Saturday.

BRANT

Mrs. P. J. Ford was a recent visitor in Calgary.

Miss Muriel Thompson, of Calgary, is visiting at the home of her parents, Mr. and Mrs. Jack Thompson. Muriel recently finished her course at Jacobson's Beauty School, Calgary.

Mr. and Mrs. Henry Bateman were Calgary visitors last week-end.

Miss Betty McWilliams, of Calgary, is visiting with her aunt and uncle, Mr. and Mrs. Jack Thompson.

A number of hockey fans from Brant and district motored to Calgary last week to see the Calgary-Kimberley games.

M. P. Hanson, of Foremost, is visiting at the home of his son, Mel Hanson.

T. Murphy has returned to Brant after a two weeks' visit at Maple Creek. Mr. Murphy is at present visiting at the home of his daughter, Mrs. Don Shultz.

Mr. and Mrs. Lyle Platt are visitors this week at Raymond.

Mr. and Mrs. Hans Christofferson returned home last week after spending the winter at Vancouver.

Miss Mary Christofferson, who is attending the University of Alberta, spent the week-end at her home.

Mr. and Mrs. Floyd Olsen were Calgary visitors last week.

Mr. and Mrs. Ted Olsen and family were week-end visitors in Calgary.

REID HILL

Mr. C. H. Smith has been a patient in the Vulcan hospital for a few days. He is recovering nicely at home.

Miss Mildred Dann, of Calgary, is home for a few days.

Mrs. Elmer Vannetta was a Lethbridge visitor last week.

Church services at the Prospect Slope school have not been held for a few weeks due to road conditions.

Mr. and Mrs. C. H. Webber and Mr. and Mrs. Willis McIntyre were Sunday visitors at the home of Mr. and Mrs. W. J. McIntyre.

Mrs. Burnell Drummond and small daughter are at home now and both are quite well.

We are sorry to hear that Mrs. J. Gerding, Sr., is in the hospital, having undergone an appendectomy.

Mr. Kumlin, Mr. Scotney and Mr. R. McIntyre motored to High River last week-end.

With every district reporting floods Reid Hill is no exception. Snake Creek has flooded and several bridges have been washed out. Much repair work will be needed in order that all roads will once more be passable.

The regular Students' Union meeting was held last Friday. Since spring is really here the students have become quite sports minded and it was decided that some new sports equipment should be purchased for the school. Already softball is the main pastime at noons and recesses.

ARMADA

Allard Vaile and Fred Marks were recent visitors to Calgary.

Leonard Birkeness, who has been in hospital at Calgary and Vancouver for several months as the result of a motorcycle accident last fall has returned to his parents home at Armada. Leonard served overseas in the Navy during the war and reached the rank of petty officer.

Jack Urdal was a recent Calgary visitor for several days at the home of his parents.

A cable recently received from New Zealand announced the birth of a son to Mr. and Mrs. Basil Gains on March 16th. Mrs. Gains was the former Miss Grace Howell, youngest daughter of Mr. W. E.

Local Churches Will Hold Sunrise Service

The churches of Vulcan are sponsoring a Sunrise Service at the golf course on Easter Sunday morning, April 6, at 7 a.m. At a meeting of the ministers a few days ago the plans for the service were laid, and they have since been agreed upon by the churches. The service will take place on the section of the golf course near the hospital unless the weather is stormy, and if so, it will be at the Anglican church.

A part of the special orchestra will be present to play during the singing, and a special number will be brought by the Evangelical church. Mr. Lord, of the Anglican church, and Mr. Rollis, of the United church, will take charge of the devotions, and Mr. Vorrath of the Evangelical church and Mr. Chapman of the Church of Christ will bring a few words respecting the resurrection.

Everyone of the community is invited to this service. It will close at 7:45 a.m.

Railway Spur Cost \$70,000

The cost of the spur railroad track between Kirkcaldy and the Vulcan Air Training School came in for some mention in Parliament the other day.

E. G. Hansell, M.P. for Macleod, asked how many miles of track were built and at what expense. The information, eventually brought down by Special Order for return, showed that five and one-half miles were built at a cost of \$70,401.88. This was paid by the Government through appropriation voted to the Department of National Defence, R.C.A.F.

Highway Deep Under Water, Residents Travel By Raft

Land transportation is the common method in this district of getting from one place to another and air transportation is by no means uncommon, but to these methods of travel must now be added water transportation.

About seven miles south-east of Vulcan, in a low-lying area, about seventy acres of land are covered with water to a depth of about ten feet. Unfortunately, the highway passes through this newly-formed pond, and for a distance of about a quarter mile is under water to a depth of several feet.

District residents living on the south side of the pond now find it necessary to make use of two cars and a raft to get to Vulcan. Driving to the edge of the pond, they transfer to a raft made of empty gasoline drums and timber and paddle down the highway to the other side of the pond. Then into the second car and on to Vulcan.

The pond is in the vicinity of the Jack Marshall farm, and one person who makes the land and water trip daily from her husband's farm is Mrs. Mae Todd, a teacher in the Vulcan high school.

Howell and the late Mrs. Howell, of Armada. Mr. Gains trained at Lethbridge when he was a member of the N.Z. air force.

A baby girl has been born to Mr. and Mrs. Eugene Donly, of Edmonton, formerly of Armada.

Leonard Stokes spent last week in Calgary at the annual bull sale, where he, with J. Urdal and J. Magnusson, purchased two purebred Hereford bulls for the "Big Four" lease.

Miss Audrey Grant has returned to High River and was accompanied by her mother, who spent a day there.

Born to Mr. and Mrs. Al West (nee Helen Linstedt) in the Vulcan hospital on March 17th, a son.

Armada's roads are slowly returning to normal. The road gang have been busy putting in culverts to enable the school van to operate.

A visiting evangelist has been holding evening services at the Free Methodist Church the past two weeks.

Mr. and Mrs. Merle Pearson and family recently spent a few days visiting at the home of Mr. Pearson's sister in Calgary.

Due to the washout of a bridge near Vauxhall, Armada and other towns on this line received no mail on Tuesday. The train schedule has been changed and mail and freight now arrives on Mondays and Thursdays from Calgary and on Wednesdays and Saturdays from Medicine Hat.

Mr. and Mrs. Howell spent Monday and Tuesday in Lethbridge visiting with R. Howell.

Service Station Is Re-opened

The White Rose Service Station, which has been closed for several months following the disastrous fire that destroyed the building and equipment, has now been re-opened. The new proprietor is Lacey J. Hollister and P. Neufeld will be in charge of the service end of the business.

Mr. Hollister has secured the agency for Studebaker cars and trucks and also handles a full line of White Rose gas and Canadian oils and greases and Dominion tires.

The new, modern building provides ample space for repair work and will present a smart appearance with its white stucco finish.

Cadets Will Hold Parents' Day Wed., April 16th

Plans have been completed by the Vulcan Cadet Corps and Cadet committee for the holding of a parents' day on Wednesday, April 16. An inspection of the Corps will be made by District Cadet Officer Captain H. V. Davies and a demonstration of various phases of cadet training will be held on Vulcan street, between Pacific and Atlantic avenues (the block from the hotel to the Oddfellows' hall).

Highlight of the afternoon will be presentation of the Cadet flag by Major J. K. Mahoney, V.C., Western Command Cadet Officer.

Refreshments for the Cadet parents will be served in the Legion hall, followed by a film and a talk by Capt. Davies.

The complete program will be given in next week's issue of the Advocate.

Flax a Paying Potential Crop

An increase of \$1.75 a bushel in price of flax has been announced by the Federal Government, bringing the total to \$5.00 a bushel and making flax one of the best potential money producing crops.

The price increase would appear to have come just in time to influence many farmers in their decision as to spring plantings and indications are that the flax crop this year will be considerably larger than the one which brought close to \$25,000,000 to prairie farmers in 1946. Last year's flax crop was in the vicinity of 7½ million bushels.

There can be little doubt, in view of the price raise, that many farmers will be giving serious consideration to a flax crop this season. To them we can most heartily recommend the new 1947 edition of the booklet "The Truth about Flax," of the National Barley and Linseed Flax committee at Winnipeg as a clear and detailed explanation as to best methods of raising flax.

The uses to which flax products can be put are growing steadily, which indicates that flax will be in heavy demand after much of the urgency about other crops has been removed.

SEES GOOD OMENS

B. S. Liberty, M.B.E., Canada's transport controller, who has announced that the boxcar shortage should soon be remedied in view of some hopeful omens which should help relieve the shortage.

Jewelry Business Purchased By B. A. Lloyd

A business change of interest took place last week-end with the purchase of Sagar's Jewellery store by B. A. Lloyd of Calgary.

Mr. Sagar who has been in poor health for some time, left on Sunday with Mrs. Sagar for Edmonton. It is the intention to take an extended holiday.

Mr. Lloyd, the new proprietor, has had 22 years' experience in the watch and jewelry repair business. He was employed at Birks in Edmonton for five and a half years, and for the past seven years has been associated with Uren's in Calgary. The jewelry store has been closed this week for interior alteration, including changes in the display window and installation of fluorescent lighting, but will be open for business by next Monday.

Mr. Lloyd has already been joined in Vulcan by Mrs. Lloyd and their three children and the Advocate joins in extended a welcome to these new residents.

School Student Marksmen Win Rifle Medals

Since the organization last fall of the Vulcan High School Rifle Club the following medals have been won in the Dominion Marksmen Sporting Rifle Competition:

	Bronze	Silver	Gold
Maureen Wolfe	x	x	x
Duane Neville	x	x	x
S. Mainland	x	x	x
Amond Hyslip	x	x	x
Ralph Walker	x	x	
David Mitchell	x	x	
Wm. A. Taylor	x	x	
Wendell Wolfe	x	x	
Doreen Weber	x		
Donald Stott	x		
Donald Mitchell	x		
Jerry LaRoche	x		
Kenneth Jordan	x		

Officers of the club, which is sponsored by J. Majakey, are: June Bowie, president; Doreen Weber, vice-president; Duane Neville, secretary.

Bible Society To Conduct Canvass

At the United Church on Monday evening a very fine motion picture on Christian Mission was shown by the Rev. A. S. Wood, District Secretary of the British and Foreign Bible Society.

The Bible society is a world-wide organization devoted to the translation, publication and distribution of the Holy Scriptures in the languages of all people. There are about 2,000 languages spoken in the world of which 1,080 now have at least a gospel translated. The British and Foreign Bible Society alone has published 780 different translations of portions of the Bible.

All this work is very vital to the success of Christian missions. The missionary is greatly handicapped in his work if he has not enough copies of Scripture to distribute to the natives. The Bible Society supplies the mission fields of the Christian churches with the scriptures at no cost to the mission boards.

For the promotion of its work and in order to be able to translate, publish and distribute the Bible, the Bible Society depends entirely upon the voluntary offerings of Christian people. Next week in the Vulcan district a campaign will be underway to raise funds for this work, and a good response is expected.

A resolution urging mixed drinking in Calgary and Edmonton beer parlors was defeated 41 to 19 in legislature.

Lions Club Amateur Night Provides Pleasing Entertainment

The Lions Club amateur night played to a packed house Wednesday evening of last week in the Vulcan theatre and scores of people were turned away. The twenty-six entries of local talent provided the crowd with good entertainment and the Vulcan high school orchestra under the direction of John Hunter provided intermission music.

The hit of the show was little seven-year-old Helen Richardson with her song about a farm boys' experience in Kansas City, and her smart rendition easily won top honors in the vocal section. Other prize winners were Joan Thomas in the recitation section; Betty Haga whose piano solo placed first in the instrumental section, whose piano solo placed first in the instrumental section, whose performance of the Highland Fling and an acrobatic dance rates best in the unclassified section. All four prize-winners were presented with ten dollar merchandise certificates by John Jamison, president of the Lions' Club.

The complete list of entries was as follows: Grades 5 and 6 (play); Marilyn Scales (song); Anne, Helen and Ruth Nicol (vocal trio); Vivian Burns (song); Helen Hunter (piano selection); Mary Jane Sproule (song and dance); Margaret Fuller (song); Joan Thomas (recitation); June Wolford (song); Frances McIntyre, Goldie Deal and Jackie Crick (vocal trio); Gordon Nault (piano selection); Helen Richardson (song); Jean Benoit and Corinne Neville (skit); Win-

eva Speer (song); Wayne Shortt (piano selection); Miss Cameron's class (rhythm band); Mervyn Brooks (trumpet selection); Mary Bernard (song); Howard Marshman (song); Betty Haga (piano); Margaret Neilson (acrobatic dance); Miss Cameron's class (square dance).

Judges were Mrs. Roy Walker, Mrs. Mae Todd, Mrs. E. G. Hansell and Mr. L. F. Dawson. Gordon Cranston was manager of the show.

The capable master-of-ceremonies was announcer Ted Brown of radio station CFCN, Calgary, and his transportation problem was solved when the Vulcan Flying Club's airplane, piloted by Glen Fisher, was brought into action to fly him down from Calgary and back again after the show.

The Foothills Health District will hold its regular Baby and Preschool clinic in the Vulcan United Church on Tuesday, April 8th from 2 p.m. until 4 p.m.

Ration Coupons During April

During the month of April the following coupons will be issued:

On April 3, meat coupon 79 will be valid; sugar coupon 46 will be valid.

On April 10, meat coupon 80 will be valid; butter coupon 47.

Mr. and Mrs. George Fulton were recent Lethbridge visitors.

Vote For a Better Hospital

On Wednesday, April 9th, rate-payers of the Vulcan Municipal Hospital District No. 19 are being asked to approve a by-law of the District authorizing the issue of a debenture in the sum of \$60,000.00 for the purpose of building and equipping a new wing on the present hospital.

The hospital has now been in operation for nearly twenty years. All outstanding debentures have been retired and the District is completely free of debt. During the past years the hospital has been of great benefit to the people of this district and has on many occasions been filled to more than capacity.

The present Hospital Board is alive to the need of a larger and more up-to-date hospital to serve this District. In nearly every community the need is not for more hospitals but for a larger and better hospital to make available the maximum service to the people. Rate-payers are urged to support the by-law to make the new addition available for not only more up-to-date and better service, as soon as completed, but also to provide a suitable hospital to operate under the proposed Dominion-Provincial Health Scheme with Vulcan as the central point for a health unit.

Qualification of voters on the by-law are the same as for an ordinary hospital scheme. Land owners who are on the Municipal List vote, and those land owners who are not on the list may vote by taking an oath at the poll. Wives, husbands, sons, daughters and mothers and fathers of land owners who reside with the land-owner and are over twenty-one years of age may also vote by taking an oath at the poll.

The Hospital District has been divided into polling divisions with polls located as follows:

Polling Div. No. 1: That portion of the Hospital District included in the Municipal District of Argyle No. 26.

Polling Place: ALSTON HALL.

Polling Div. No. 2: That portion of the Hospital District included in the Town of Vulcan.

Polling Place: SECRETARY-TREASURER'S OFFICE, TOWN OF VULCAN.

Polling Div. No. 3: That portion of the Hospital District included in the Municipal District of Blackie No. 30.

Polling Places: CORNER STORE, S.E. 4-19-24. S. F. CAMPBELL RESIDENCE, S.E. 13-19-24.

Polling Div. No. 4: That portion of the Hospital District included in Special Areas Number 4.

Polling Places: U.F.A. HALL, LOMOND. U.F.A. HALL, ARMADA.

Polling Div. No. 5: That portion of the Hospital District included in the Municipal District of Vulcan No. 29.

Polling Places:

- (1) SECRETARY-TREASURER'S OFFICE, MUNICIPAL DISTRICT OF VULCAN No. 29, VULCAN.
- (2) GEORGE FORBES OFFICE, BRANT.
- (3) U.F.A. HALL, ENSIGN.
- (4) C. L. DENNISON RESIDENCE, Sec. 15-16.
- (5) REID HILL HALL.
- (6) MALLORY'S STORE, KIRKCALDY.
- (7) BLUSSON SCHOOL.
- (8) BERRYWATER SCHOOL.
- (9) W. HERMANN RESIDENCE, N.E. 10-18-22-4.
- (10) CORNER STORE, S.E. 4-19-24.

Voters will vote where they reside. People living in the Town of Vulcan will vote at the Town Office. A poll has been established at the Municipal Office in Vulcan to accommodate people living in the country who happen to be in Vulcan on polling day. Polls will be open from nine o'clock in the morning until six o'clock in the evening.

This is an important improvement to the Health services in this District and rate-payers are again urged to get out and vote for the by-law. When the by-law has been approved, the Board plans to proceed with the construction of the new wing as soon as it is deemed advisable and building materials are available.

The Hospital By-law

Ratepayers have little to lose and much to gain by approving the \$60,000 debenture by-law of the Hospital District next Wednesday, April 9th.

Defeat of the by-law, by failure to gain the necessary two-thirds majority for approval, would not necessarily mean an immediate decrease in hospital taxes. Only four mills of the present hospital tax has been used yearly for principal and interest payments on the original debentures and land taxes would decrease very little, if any.

Approval of the by-law means better hospital facilities for the town and district at no increase in taxation. The four mills is sufficient to meet the annual payments on the new debenture issue. The other advantages of an enlarged and improved hospital are set forth elsewhere in this issue and we

believe that earnest consideration of all the facts by the voters will result in approval of the debenture by-law by a large majority.

BABSON ON WEEKLIES

ROGER BABSON, noted economist in a survey of advertising values, rates the country weeklies and small dailies much higher than the great metropolitan dailies.

His advice to national advertisers in United States should be equally sound for Canadian business. He says:

"The small papers are read more thoroughly. The average large city newspaper has so many pages that the reader goes through them hurriedly, and does not give sufficient consideration to the advertisements.

"Advertising agencies and newspapers have performed wonderful feats, but they have not increased by one small second the available time each day which readers have. Statistics show that the reader of small city papers has more time and gives more consideration to the advertisements.

"I will not say that weekly papers are seven times as valuable as daily papers of the same circulation, but surely they have some advantages. No one reads a daily paper the day after it is issued, but the weeklies are read during seven days.

"Small town papers will become more and more important. One of the best investments today should be a small town daily, or weekly paper in a self-contained agricultural community."

Pertinent Topics

Discussed by H.C.

Engrossed as we should try not to be, with talk of "economic planning," let us instead take a look at the planners who purpose setting up an earthly paradise by substituting what we have for what they think we should have and what they are planning to

give us by legislation and regulation. Who are they anyway? Are the men who have worked with their hands as well as their brains and have turned idle lands into farms or lots into factories giving employment to others and producing food or manufactured articles necessary for the comfort and convenience of the human race?

No they are not. In the main they are theorists or academicians who work not with their hands but with their mouths and whose implements are words and phrases. They, it is, who are going to undo the work that was done by doers, past and present, and to substitute for it plans resisted and rejected by the doers in their long apprenticeship. Take another look at the planners and say whether you would trust your farm or factory to their management, for that is what they are planning.

In Canada the Socialists do not say that they mean to manage these things. What they say is that they will appoint experts to manage them, but you may be sure the experts will be good party men who know more about agriculture and industry than you do; you can depend too that the experts will be controlled by the political planners who appointed them. You may depend on this also that if a socialist government emerges after the next elections, it will be compelled, as in England by its left wing to go beyond its wishes toward a full measure of socialism.

In Canada they now say they have no intention to nationalize farms and farming although the omission will leave a gaping hole in the socialistic fabric. In England the Parliamentary Secretary of the Ministry of Agriculture declares that after a period of probation the farmer who does not farm as he is ordered to do will have his farm taken from him and given to someone else or run by the state. Prominent C.C.F. leaders could be quoted as saying the socialist pattern as set in England will be followed by a socialist government in Canada. So what?

What is happening in England is that the Socialist government, because it can count on Conservative and Liberal votes, is pursuing a foreign policy distasteful to more than a hundred of its left wing followers whose tenderness toward Russia impels them to refrain from voting confidence in that policy. They remain within the party, because they can do more damage within than without, but for their forbearance they demand that the government go beyond its wishes along the road to socialized industry.

CHURCH NOTES

UNITED CHURCH OF CANADA

Vulcan Pastoral Charge

Otto H. Rollis, Minister

**"It Pays To Be
Educated"**

A broadcast given under the auspices of the Alberta Educational Council was heard last week under the captions "It pays to be educated." Mrs. G. B. Miles and Mrs. D.W. MacDonald were speakers on one of these broadcasts.

Points brought out were intended to bear directly on the title "It pays to be educated." One speaker referred to a U.S. survey made by business men two years ago in United States to consider education as an investment in people.

This survey found that wage and salary workers with high school or college training hold 90% of the highly paid positions. The higher the educational standards of a state, the higher its per capita retail sales, the greater the sale of reputable magazines, the higher the living standards. Good education and good business are found in the same places. People in an educated society spend a fair amount of money on things which make life more pleasant and support industry.

Small countries like Sweden, Switzerland and Denmark with no spectacular resources can build up a great volume of trade and high levels of prosperity because they educate their people to use the resources they have to best advantage.

The summary of the U.S. survey was that education is an essential instrument through which commerce, industry and agriculture can be expanded in rising degree. Education is a lever for advancement of every community.

In Alberta

Turning to Alberta, the broadcast then outlined resources of this province, comparable with other countries. There is much native wealth in agricultural land, minerals, timber and lakes. There are 800,000 people, and lots of capital ready for investment. It seems that education would be just as sound an investment in Alberta as in United States.

"The more trained minds and the more trained hands we get working on these resources of ours, the more there will be for us to enjoy. If we don't see this the result will be that all the managing and "boss" personnel will be brought in from outside to earn the big money and take it away with them. Half-educated, Alberta children will become the labor supply."

A clearing auction sale of stock, implements and household effects will be held at the home of Albert Market one mile south of Kirkcaldy on Wednesday, April 9. Watch for posters. Joe Gerding, Auctioneer, Licence 19-47-48.

Fly Tying Hobby Now A Business

(From High River Times)

One example of a hobby which developed in a commercial way comes from Longview. Ken Bird and Jack Goodearl, who sell sporting goods, have made quite a specialty of fishing flies and, according to report, they have four girls busy fly-tying for them. They figure that they'll need more girls engaged in this specialized work before a great while.

Once the girls show adaptability have mastered the art, they can become quite proficient. But it requires deft fingers and faithfulness to pattern. They can't go launching out into brilliant combinations that may appeal to personal fancy. Their flies must appeal to fish.

Ken Bird has enjoyed fly-tying as a hobby for five years now, and turned it into commercial lines two years ago. Now his market is the least of his worries.

Materials for fly making come off as India and South America. from all parts of the world, as far as there are feathers and furs of great variety used. Even the silver haired monkeys make their contribution. Sometimes there is higher steen required than can be got from feathers and furs available in these parts. Even the bright-looking pheasants can't match the brilliance of some of the imported stuff, though pheasant tail feathers are very useful. Good quality is important in durability.

Like all the fly-tying enthusiasts Mr. Bird makes quite a study of the flies which seem to interest the trout along the Highwood. He believes he has got one fly which is especially good for the Highwood river.

Horse Co-Op Doing Well

Many horses were shipped this winter to processing plants at Edmonton and Swift Current from

the southern areas of Alberta and Saskatchewan. These shipments relieved critical feed shortage to some extent.

Prices for surplus horses have been raised from one cent to two cents per pound, and the Horse Co-operative Association has realized

a steady market for surplus horses. Over 1000 horses were shipped to Poland, but the main work is in processing.

Up to the end of December, 1946 there were 48,000 horses purchased. Pickled and canned meat was sent to Belgium, Poland and UNRRA.

There was also sale of hides, hair, inedible oil, bones and tankage, bringing a total value of three million dollars on products processed and shipped.

There are altogether 400 employees in both plants. Surplus horses on the farm that

are being wintered on straw stacks will have a ready market. If weight is maintained there will be initial payments of 2 cts. per lb. f.o.b. plants, with 100 lbs. shrink allowed on off-car weights, and freight paid by the Co-Op.

News from Champion

Mr. and Mrs. Elmo Swanson of Woodhouse, (nee Helen Farmer, formerly of Champion) are the happy parents of a 7-lb. 4-oz. baby daughter, Anne Marie, born March 25 at Woodhouse.

Mr. and Mrs. George Wright, of Hawthorn, Cal., arrived on Saturday to spend the spring and summer looking after farming interests.

Fred Gottenberg was a Lethbridge visitor last week.

Irl Ditto, of Calgary, formerly of Champion, was a business visitor the latter part of last week.

Mrs. Ralph Bond has been visiting at Lethbridge the past week, guest of Mrs. B. Anderson and other friends.

John Weiss returned home last week after spending the past few months visiting relatives at points in eastern Canada. Mr. Weiss reports a very severe winter, having been snowbound at Guelph for nine days.

Mr. and Mrs. Oscar Sletto and Mr. and Mrs. Albert Orcutt spent two days visiting at Calgary, guests of the latter's son-in-law and daughter, Mr. and Mrs. D. Adams.

The members of the Women's Association of the United Church held their March meeting at the home of Mrs. Peter Dawson on Thursday. Plans were completed for the Easter tea and bake sale to be held Saturday, April 5. Mrs. Dawson and Mrs. C. G. Miller served a dainty lunch at the conclusion of the meeting.

R. Davies has returned home after being a patient at the Carmangay hospital recently.

Art Hopkins spent a few days visiting in Calgary during the week.

Mrs. A. Treber, of Calgary, has been visiting at the home of her parents, Mr. and Mrs. House, for the past week.

Mr. and Mrs. T. Long have been Calgary visitors for the past week. Mrs. MacLeod, Sr., of Edmonton, was a visitor for a few days at the home of her son and daughter, in-law, Mr. and Mrs. Austin MacLeod, Savoy hotel.

Mrs. Leonard Gorsche and children, of Calgary, formerly of Champion, were visitors for a few days at the home of the former's uncle, Mr. Russell Castor.

Mr. and Mrs. Bert McGaw were Calgary visitors for a few days this week.

Mr. and Mrs. J. D. Bell returned home on Friday after spending the past few months visiting relatives at San Francisco and Altadena, California.

The roller skating opening session that was to have been last Wednesday was of necessity postponed due to bad road conditions. The teen agers are looking forward to getting started this Wednesday.

Mrs. Fred Gottenberg was a recent Calgary visitor, receiving medical attention for her elbow that was broken recently.

M. Beingsner and J. Pith were recent business visitors at Lethbridge.

P. Gatenby has recovered sufficiently from his recent illness to return to full time duty at the U.G.G. elevator.

Mrs. Roger Chester and small son, Noel, of Cranbrook, B.C., are visiting at the home of the former's parents, Mr. and Mrs. George Orr, for the Easter holidays.

D. G. Garvin, of Barons, is acting as relief agent at the C.P.R. depot during the absence of C. G. Taylor on holidays.

George Clever, of Los Angeles, Cal., arrived this week to prepare for spring work on his farm.

Mr. P. J. Asplund, of Barons, was relief operator of the picture show Saturday evening, the regular operator being unable to get through from Claresholm.

Miss M. Carey spent the week-end visiting her parents at Barons.

Mr. G. L. Larson, pharmacist, of Calgary, has spent the past few days in town preparatory to taking over the new drug store in the Savoy hotel.

Earl Smith, son of Mr. and Mrs. Orville Smith, who has been attending the University of Utah, returned home this week.

George Guis, of Rosalind, B.C., has spent the past week buying horses here. Mr. Guis shipped out two carloads to his home point.

Mr. and Mrs. J. Trudeau, of Calgary, were week-end visitors at the home of the latter's parents, Mr. and Mrs. L. Lackey.

Mrs. Roy Hummon and son Glen left this week for Edmonton to spend the Easter holidays as guests of Mr. and Mrs. Kenneth McMahon.

A. L. (Bud) Siler has purchased the pool room and barber shop owned and operated for many years by Dan Harper. Mr. Siler took over last Saturday. Mr. and Mrs. Harper will continue to make their home in Champion.

Friends of Mrs. Jim Groves, of Patricia, formerly of Champion, will be sorry to hear of the death of her mother, Mrs. C. Bassett, of Huxley, at High River hospital on Sunday.

The United church services, which have been held at 4 p.m. for the past seven weeks, will now be held at 7:30 p.m., starting Sunday, April 6.

John Anderson was a Calgary visitor for a few days recently.

Mr. and Mrs. Fred Hildebrandt have purchased a house in Calgary and have taken up residence there.

P. Gatenby spent a week in Calgary, receiving medical attention, recently.

Mr. and Mrs. E. Nowlin and children visited with relatives at Carmangay during the week-end.

Mrs. C. G. Miller spent the week-end visiting at Lethbridge, guest of her daughters.

T. Wilkins returned to his home in Calgary on Saturday, after relieving at the U.G.G. elevator for the past few weeks.

P. Jacobson left this week by plane for Port Alberni, B.C., where he will visit his brother, Ivor Jacobson.

Mr. and Mrs. C. G. Taylor left on Monday for a three weeks' holiday. They will visit their son-in-law and daughter, Mr. and Mrs. W. Alsdorf, at Port Alberni, B.C., and their sister-in-law, Mrs. G. M. Taylor, at Vancouver.

Mr. and Mrs. Russell Hegland spent two days visiting at Lethbridge recently.

Mrs. D. Watkins spent the week-end at Lethbridge, guest of her sister, Mrs. M. Cowell.

Miss D. Mathers, who has been visiting at the home of her brother-in-law and sister, Mr. and Mrs. E. Nowlin, for the past two months, left for her home at Creston, B.C., this week.

Mrs. Orville Smith was a Lethbridge visitor for two days last week.

Master Jerry Bulman, of Stavely, is visiting at the home of his uncle and aunt, Mr. and Mrs. W. A. McIntyre, for a month.

Mr. and Mrs. Gordon Davies were Lethbridge visitors for a few days last week.

The Women's Institute will hold their April meeting at the home of Mrs. D. Watkins on Tuesday, April 8.

Mrs. George Orr was a Lethbridge visitor on Saturday.

R. Davies spent Friday in Lethbridge.

Earl Dawson is expected home this week from Edmonton, where he has been studying at the University of Alberta.

Mr. and Mrs. Max Groves are business visitors at Calgary for a few days.

Mentioned for possible provincial Liberal leadership are H. J. Tremblay for Grouard; Harold Riley Jg. of Calgary and J. Harper Prowse, M.L.A. for the Army.

It is reported that starvation has killed thousands of peasants in Russia in recent weeks. These are mainly in the Ukraine and Volga areas. Drought in wheat growing areas is the cause.

A hospital for arthritis will be built at Banff at cost of \$80,000. It will be a 200 bed hospital financed by the Order of Sisters of St. Martha, and the present Mineral Springs hospital will be used as staff quarters.

An Open Letter from the Lions Club

The Vulcan Lions Club urges all eligible voters to give their support on Wednesday, April 9th, when they will be asked to approve the issue of a \$60,000 debenture by the Vulcan Municipal Hospital District No. 19 for the purpose of building and equipping a new wing of the hospital.

The Lions Club believes that the following points should receive the earnest consideration of all voters:

1—Present hospital facilities are inadequate, and this condition has existed for some time.

2—Present conditions are favorable for the issuing of new debentures.

3—The Hospital District is completely free of debt and in a strong financial position. Approval of the debenture issue will not result in any increase in taxes.

4—Addition of the new wing will allow for services that cannot be provided with existing accommodation.

5—A larger and better hospital with modern facilities will assure Vulcan being chosen as the central point of a health unit under the proposed Dominion-Provincial Health Scheme. This would benefit not only the Vulcan district but the surrounding towns and districts as well.

6—Under the proposed Health Scheme the Dominion and Provincial governments would assume eighty-five percent of the operating costs of the hospital, thus greatly easing the cost to district ratepayers.

Particular attention is drawn to the fact that not only land-owners, but the wives, husbands, sons, daughters, mothers and fathers of land-owners who reside with the land-owner and are over twenty-one years of age can vote on this issue, simply by taking an oath at the poll. Ratepayers, and members of their families meeting these qualifications, are urged to turn out on Wednesday, April 9th, and give their support to the by-law.

A BETTER HOSPITAL WILL BENEFIT ALL—

Announcement

I have purchased the jewelry business formerly operated by V. H. Sagar and solicit the patronage of both old and new customers.

Having had 22 years experience in the watch repair business with such firms as Birks of Edmonton and Uren's of Calgary, I can assure you of the best in expert workmanship and service in watch and jewelry repairs.

The store is now undergoing extensive alterations and will re-open this next Monday, April 7th.

Brief Items of Local Interest

A Vimy dance and supper will be held in the Legion Memorial Hall next Wednesday evening, April 9th, for all members of the Canadian Legion and their ladies. Mrs. W. S. Hill was a week-end visitor at Olds where she attended graduation exercises at the Agricultural college, where her son, Bob, is a student.

The big rummage sale at Brant under the auspices of the Brant Ensign Scouts, will now be held on Friday, April 11th, at 8 p.m.

A program consisting of four one-act plays will be presented at the Vulcan Theatre on Wednesday, April 30th. Two of the plays will be presented by Mrs. H. L. Todd's drama class and the other two by the organization known as Les Acteurs. There will be afternoon and evening performances.

Mr. and Mrs. Fred Market, of Ensign, have returned from a month's holiday at the Coast and in California.

An announcement in this issue draws attention to a pressure cooker demonstration which will be held in the J. Wolfe Hardware on Thursday, Friday and Saturday, April 10, 11 and 12. The Presto pressure cooker will be demonstrated by Mrs. E. Lock and this event should prove of much interest to town and district housewives.

Mrs. Tommie Thomson and baby daughter, of Edmonton, are the guests of Mr. and Mrs. Guy Denbigh.

K. Roy McLean, Optometrist, of Calgary, will be in Vulcan at the King Drug Store from 11 a.m. to 5:30 p.m. Monday, April 14th. Consult Mr. McLean in his Calgary office, 1015 Southam Bldg., daily except Monday.

Trumpet Major Martin, of M.D. 13, spent Wednesday afternoon of last week with the local Cadet Corps, instructing several boys in bugle calls.

Mrs. E. G. Hansell was a Calgary visitor the first of the week. Sam Street, who has been employed at the local post office for the past several months, left on Saturday to take over his new duties at the Drumheller post office.

Groups 1 and 2 of the United Church Ladies' Aid held a very successful tea and bake sale in the Sunday school rooms last Saturday.

Mrs. Earl Jensen and two small sons are spending the week with Mrs. Jensen's parents, Mr. and Mrs. George Monkman, at Calgary.

Mr. and Mrs. C. Kettelson were Calgary visitors last week, where they went to bid their son, Stan, farewell. Stan left later in the week to assume his duties at the Repeater Station south of Fort Nelson on the Alaska Highway. The station has recently been taken over by the C.N.R. Jim Phelan, of the Berrywater district, also left at the same time.

The Scouts rummage sale at Brant has been postponed until April 11th.

Mrs. J. L. Jordan has recently returned to Vulcan after receiving medical attention in Calgary and is staying at the home of her mother-in-law, Mrs. C. Jordan.

Miss Margaret Smith and Mr. Allan Smith, who have been visiting at the home of their uncle and aunt, Mr. and Mrs. W. D. Allan, have returned to their home at the coast.

April 4th is Good Friday and all local stores will be closed. Easter Monday is April 6th and will be observed as a bank holiday.

Friends of Mrs. Pete Bowie will regret to learn she is again confined to the local hospital.

Mrs. Glen McAllister, of Lethbridge, spent the week-end visiting with her two sisters, Mrs. L. M. Clarkson and Mrs. W. Clarkson.

Miss Dorothy Herbert of Calgary, was a recent guest at the home of Mr. and Mrs. F. B. Clark.

Mr. and Mrs. H. P. Jurney were business visitors to Calgary last week.

Mrs. Clifford Graham and daughter, Erma, were Calgary visitors recently.

Mrs. F. B. Clark has returned from a week's visit in Calgary.

Due to the Easter holiday season it has been decided to postpone the final game of the whist and bridge series being sponsored by the Ladies' Auxiliary to the Canadian Legion, for one week. The final party will be held Monday, April 14th, commencing at 8:15 p.m.

Mr. and Mrs. Douglas Wilson, of Kirkealdy, are receiving congratulations on the birth of a daughter, March 28th, at the local hospital.

Among hockey fans who journeyed to Calgary for some of the play-offs were C. Fleming and F. Atkinson.

Indicative of what can be expected once building materials are available is the granting of building permits for two new homes by the town in the past week. Both of these homes will be real assets to the community, and are surely a forerunner of many more, judging from the expressed wishes of many lot owners. Several lots have changed hands recently, an action which can largely be attributed to the overwhelming majority of votes in favor of installing water works last month. Homes are badly needed here and with the lessening of building restrictions it is hoped the shortages will be greatly relieved, as well as keeping citizens here rather than having them retiring to nearby cities.

The regular meeting of the Ladies' Auxiliary to the Canadian Legion was held in the Legion hall Thursday, March 27th. During the business session a donation was voted to the Belcher hospital and it was decided to postpone the next card party to April 14th because of the Easter holiday. Applications of new members were considered and it is hoped to have them at the next meeting.
